

JACK ROGERS

310 Maple, San Antonio, TX 78230 · 210-234-5678

jackrogers@gmail.com

Objective

To obtain a position that will utilize my entry-level technical knowledge and skills to meet the needs of the employer and customer. I would like to grow in my knowledge of the industry by working to increase my experience in the automotive/diesel field.

Work History

Automotive Mechanic Trainee – June 2021 - January 2022

Bob's Cars & Shop

Worked under direction of master mechanic, rotating through diagnosis and repair of automotive systems and units. Conducted routine service and preventative maintenance.

Demonstrated talent for quickly and accurately diagnosing mechanical failures and determining corrective actions. Advanced through program faster than other trainees by maintaining commitment to continually increasing knowledge and skills.

Sales Clerk – December 2018 – May 2021

Auto Zone

Worked in multiple areas including Cashier, assisted customers find needed products and stocked shelves
